## News Release

### Café shortly to return to Andover

Date: 19<sup>th</sup> December 2019

**IMMEDIATE RELEASE**

The Grilled Cheese Café is shortly to return to Andover Town Centre in new and prominent premises. The owners have secured larger premises and are frantically working to refit the ground floor with a servery, kitchen and ground floor area with comfortable chairs and tables where people can enjoy a hot or cold drink whilst restoring the first floor to include relaxing settees and chairs aimed at encouraging anyone who wants to meet company or relax for a bit longer and enjoy the food. The aim is to open before Christmas, but this will depend on how quickly the total refurbishment takes, so watch this space.

This café joins the growing number of new independent businesses in Andover and Steve Godwin, BID manager says *“We seem to be bucking the national trend with more and more independent businesses enquiring about the town where we already have many established independents. The BID recently launched an Indies group and has ambitious plans to support businesses in 2020 and is producing a new map and guide listing the many businesses which will be available early in the new year’.*

#### Notes to editor:

The BID is an independent, not for profit company with a Board of directors who represent levy payers. They are responsible for the governance of the company and oversee the BID strategy with funds for investment of c£1,000,000 over five years.*
